

# Sprint family cell phone plans

Make the better choice and save on family cell phone plans with Sprint. Share data and never worry about overage charges.

Now the family that shares data together can stay together on one convenient family cell phone plan. Get unlimited talk and text for everyone while on the Sprint network. Simply choose the amount of shared high-speed data and the number of lines needed for your family mobile plan. It's that easy. Our family cell phone plans are better than ever, so we call them Sprint Better Choice Plans.

For a family on-the-go, Sprint Better Choice Plans include Sprint Global Roaming and FREE UNLIMITED international texting from the U.S. to more than 180 countries.

Requires domestic service plan with primary use in the U.S. Restrictions apply.

## Family shared data plans

How much shared data do you need?

<b>6GB</b>	<b>12GB</b>	<b>24GB</b>	<b>40GB</b>
<b>\$45</b>	<b>\$60</b>	<b>\$80</b>	<b>\$100</b>

- **6 GB Plan:** Perfect for music/video lovers or small families.
- **12 GB Plan:** Need to share data? Here you go. Video chat, use GPS, post on social media, stream music or watch videos.
- **24 GB Plan:** Here's a great choice for families with heavy data users.
- **40 GB Plan:** Perfect for families constantly streaming music, binge watching videos, browsing the web or using GPS.  
Requires new-line activation or eligible upgrade on non-discounted phone. Other monthly charges apply.

**Don't worry about overage charges**

If you reach the monthly allotment of high-speed data, you get unlimited data at 2G speeds until your next billing period starts. Or, you can add extra high speed data to share for \$15 per GB to tide you over.

**Connect with the network**

A monthly access charge for each phone line covers your devices' connection to the Sprint network.

<b>\$20/line</b>	<b>\$10/line</b>	<b>\$45/line</b>
Access charge non-discounted handsets	Access charge MBB/Tablets	Access charge discounted handsets

**Get the perfect phones with the perfect family mobile plan**

Start by shopping for phones and adding the right plan for your family.
